

CLIENT TESTIMONIALS

“Teresa gave us outstanding service and support during the purchase of our condo as well as excellent follow-up after. Our purchase was not high priced and her commission must have been modest but her service to us was first class. We were 100% satisfied.”

Carell & Ron

“In 30 years of buying and selling homes in five cities in three states and D.C., Teresa is head and shoulders above anyone we have worked with. She is outstanding and Windermere is too. This was a pleasant and almost stress-free experience thanks to Teresa!

Teresa did a great job. Her knowledge of the market allowed us to get more than we expected for our house. A quick sale made it evident Teresa was dead-on with the recommended price! It was an easy, almost stress-free event.

“Teresa was fabulous! This involved a very tricky sale amidst a very tricky divorce. Teresa was always professional, positive, communicative, kind and took action! I am forever grateful to her and admire her immensely.”

“Outstanding. Teresa was very professional and friendly. She gave us regular feedback and was always available to answer our questions. She spent a considerable amount of time on our behalf. We appreciated her honesty and her straightforward manner – truly a person we could trust.”

Quentin & Polly

“After selling and buying four houses, this was the smoothest transaction yet. I think our dialog helped to precipitate a short and uneventful listing. Teresa seemed more interested than usual in helping us. After some unpleasant experiences in the past, this was most certainly welcome. Thank you for having her on your staff.”

Hal & Peggy

“Teresa’s communication with us was regular, efficient and courteous, yet never intrusive. Teresa saw the transaction through to the very end and took care of details that she could have dropped. She represented your company very well. We appreciated her friendly and professional work.”

John & O.J.

“Teresa was efficient and thorough, but most of all gave us such personal service. I always felt like we were her only clients. I can’t say enough about her.”
